17<sup>th</sup> November 2017

Dear Children

On Tuesday 21<sup>st</sup> November we are going to be working together to design the inside of our Learning Pod.

If you would like to make a model during the afternoon to show your ideas, you are more than welcome to bring items from home that might help you. These can include items such as Lego and Meccano. You may want to bring a shoe box in that you can turn into the inside of the pod.

Please remember that we have said that technology such as tablets are **not** to be brought in from home.

I look forward to seeing your ideas come to life in Class NT.

Mr Taylor
